

Newsletter November 2015

The exhibition in Kidderminster Library is looking good. The mayor opened it on Saturday morning and she praised all the artists for such excellent work. Thank you to all those who came along and to Gina and Judy for making the teas.

The Library has asked us if we would like to leave the exhibition hanging throughout December and so it will mean that the taking down and collection day will now be on **TUESDAY DECEMBER 29TH BETWEEN 10.30 AND 11.00**

If you are lucky enough to make a sale then the picture can be replaced for December. Let's hope we have a few more sales this year!

The trip to Bristol was a great success, we all enjoyed the exhibition. A big **THANK YOU to David Spurrier** for making the arrangements.

12th November - This Thursday at Trimpley Hall we will be having a work night / discussion on working from photos. If you would like to join in then please bring along a piece of work and the reference photos that you used .

19th November - Colin Hill will be coming along to talk to us about how to make a photo book

26th November - is appraisal night with David Spurrier

Tickets for our Christmas Celebration will be on sale as of this Thursday
£5.00 each for members / guests

The group called **JOURNEYMAN** will be coming along to entertain us

There will be a food donation suggestion list for the buffet table. Please tick what you would like to bring (just so we don't have a mountain of sausage rolls)

There will be NO more meetings for the month of December
Next meeting is JANUARY 7th Theme of the month ' PRINT MAKING'

P.S. I know some of you have received emails apparently from me with an attachment to a link on the internet. PLEASE DO NOT OPEN THEM just delete . I would never send you anything like this. My newsletter will always say KAS so you know it is from the real me. I am sorry but this does happen. I even had one myself from me HA HA !
