

Newsletter September 2015

Hello Members

Well autumn has well and truly arrived. With the wind and rain that summer brought us it can only get better, fingers crossed.

This month's theme is- Painting in Oil and Acrylic. You can choose to paint in either medium for your subject.

3rd September. We kick off the month with a DVD night on painting in oil (**Cancelled DVD, now just a work night**)

10th September - Demo Night with Angela Gaughan . She will be demonstrating in Acrylic

17th September - Work Night. We will also be having a photo session with Colin Hill. He will be photographing your entry for the Annual Exhibition in Kidderminster Library in November. Please bring along your UNFRAMED WORK (not behind glass) but can be mounted. Only one piece per member. There will be one more chance in October if your piece isn't ready.

24th September - Appraisal night with Shirley Bonas. If you are in Bewdley why not pop into St. Georges Cafe and have a look at Shirley's exhibition.

Thank you to all those people who bought paintings along to St. Anne's Church at the weekend. It was a good display of members work and the feedback was very positive.

We sold three paintings.

A BIG thank you to those who stayed and helped with the hanging and labels.

There is a day time trip coming up on 5th November to Bristol. Put the date in your diary as there will be no evening meeting on that Thursday, so you can all still go to your firework display.

Happy Painting
Shelley
