

## **Newsletter October 2014**

### **9th October Work night at Trimpley Hall**

Claire Spencer is bringing along lots of work by other artists for us to look at and she will be guiding us through this topic.

Bring along your sketch pads to get some initial ideas down before you tackle your painting.

### **16th October DVD Night**

We will be watching professional artist DAVID HYDE paint a kestrel . Hopefully we will pick up some valuable tips.

### **23rd October Work night**

Lesley Connolly will be bringing some stuffed birds for us to study and paint. These will be a valuable source for us to help understand and achieve that 3D look in a bird and to study the feathers.

### **30th October Appraisal evening with Claire Spencer**

Bring along your work for a first class appraisal. Even if you haven't finished your picture you will get lots of helpful advise on where to go next to get to completion.
