The demo by Peter Horrocks was a great night with lots of information on using earth pigments, which Peter demonstrated with great skill. His work was very different to what was expected and most people went away with lots of ideas. There are some photos on our Facebook page for you.

Although not so many members came to the sale of art material those that did either bought something that was a bargain or sold items that they no longer wanted. We all enjoyed some nibbles and a cup of tea while having a nice evening in good company.

The Spring Trophy Night was a great success with lots of high standard entries. We all enjoyed the buffet while trying to deliberate our casting vote.

The votes were counted and the winners are:

1stKaren Hotchkiss

2nd.....Claire Spencer

3rd.....Dave Worn
