

Spring Newsletter 2019

March

The theme of the month was 'Fur' and we kicked off with a great workshop on 14th March drawing animals. Star of the show was Bruno, Lesley's dog. He was as good as gold and there were some really good drawings done.

We followed the drawing session up with a fabulous trip out to Wolverley Animal Care Centre on 21st March. 18 people turned up for this afternoon and we were looked after by Lucy and some of the students from the school. With cakes, tea and coffee on offer, and large variety of animals to draw, what more could you wish for? March 28th there is a follow up appraisal and members are invited to bring along their work from the last month to share.

April

The theme of the month will be 'Feathers'. The meeting will be on Thursday 11th April at Trimpley Village. The committee will bring along a selection of feathers, and pictures of birds for reference.

Spring Trophy

The Spring Trophy Competition will be held at Trimpley Village Hall on April 25th. Members are invited to bring one piece of work done within the last 12 months to enter into the competition. This will be a social evening with nibbles and soft drinks, tea and coffee.

May

The theme for May will be 'Scales'.

May 9th – Scales, draw or paint. Music, butterflies, amphibians? Or your own ideas, so get creative!

May 23rd – Activity to be confirmed

Other information

Starting in March there will be an ongoing exhibition at Foley Dental Implant and Practice. Change-around approx every 6 weeks. The first change-over will be around beginning of May. More information about this will be available at the end of April.
